

RESOLUTION FOR CONSIDERATION

FIRE CHIEFS' ASSOCIATION
OF
BRITISH COLUMBIA
2008 ANNUAL GENERAL MEETING

RESOLUTION NO : Three
SUBMITTED BY : Fire Chief Ric Raynor, Quesnel Fire Rescue
SUBJECT : Wildland Firefighter Training

WHEREAS Wildland firefighting has unique safety concerns that are not specifically addressed in structural firefighting training; and

WHEREAS structural firefighters had, until recently, certified S-100 training available through the Ministry of Forests Protection Branch; and

WHEREAS the S-100 course is a standard acceptable to WorkSafe BC as required in Article 26.19 of the Regulation.

THEREFORE BE IT RESOLVED:

That the Fire Chiefs' Association of B.C. request the Minister of Forests and Range to develop and deliver a certified course of instruction that is acceptable to the Board for structural firefighters.
