

Annual Report – Membership Committee

May, 2008

Once again, the membership committee is happy to report, that our Membership continues to be strong with slight growth over the past year. (See table 1)

While we have seen some retirements and changes within organizations, we see the new individuals seeing merit in and joining our worthwhile association.

On behalf of the membership committee I would like to thank all past and present members for their support. I would also like to take this opportunity to welcome all new members attending conference. I am sure you will find it very informative and an excellent opportunity to make future friends and valuable contacts.

Respectfully submitted,

R.E. (Rick) Owens

Membership Committee Chair
