

Annual Report - Resolutions Committee

The Resolutions Committee continues to refine Resolutions for consideration at our Annual General Meeting.

This year we have taken steps to contact other Associations to ask if they have any resolutions for consideration at their AGM's.

We have approached both the Fire Prevention and Fire Training Officers in British Columbia along with the Alberta Fire Chiefs and the Canadian Association of Fire Chiefs.

On behalf of Chief Doug Banks, Chief Don Beer and myself, we wish to encourage all of you to become active within our Association.
